

**BENTON COUNTY BOARD OF COMMISSIONERS
ORDINANCE NO**

BE IT HEREBY ORDAINED, by the Benton County Board of Commissioners as follows:

The Benton County Government is charged with maintaining the fiber and wireless infrastructure for the County.

That the County shall now charge \$10.00 per fiber wireless Mainstream customer for each new fiber wireless customer.

That the funds collected under this ordinance shall be deposited in the Fund Mainstream Fiber Account (4961). Said account shall be non-reverting to the General Fund.

That this Ordinance shall be in full force and effective from and after its passage and adoption.
